About The Founder: Louise Chambers

Louise Chambers has been in the business of fashion for nearly 15 years styling individual clients, media personalities, corporate teams, fashion events, photographic shoots and retail visual merchandising displays. She has shared her knowledge and passion through workshops nationwide for retail and corporate clients and appeared as guest presenter and accessory brand ambassador on Australia's and New Zealand's TVSN channel. In 2018, Louise was appointed head stylist for Magic Millions, styling ambassadors including Zara Phillips MBE & Mike Tindall.

As a Personal Stylist, she has helped hundreds of women and men find their personal style, build fully-functional wardrobes that work for their body shape, lifestyle and budget and, ultimately, look and feel fab. She works to build confidence and skills to navigate the often overwhelming array of fashion choices and new season trends in the marketplace and inspire clients to find the fun in fashion and enjoy shopping for clothes and accessories.

Partnership Leveraging*:

As a valued Style Chambers Partner, we can work further with you to create compelling synergies that not only elevate our members' style journeys but also amplify your brand presence within our community.

We're excited to explore integration opportunities, such as:

- Online Styling Workshops – your brand in the spotlight, via product placement, in styling workshops presented by stylist, Louise Chambers.
- Vox Pop Style Content – sponsored segments & content.
- Long-Form Social Media Content – carefully crafted for your brand.
- Events & Red Carpets – attendance and/or interviews for content.

We invite consultation to understand your objectives and how we can deliver on these through fresh, fun and exciting concepts in collaboration with Style Chambers platform.

Brand Partners have the opportunity to leverage their partnership with Style Chambers in a variety of ways.

One option is via a 45-60 minute stylist-lead LIVE Workshop hosted on www.StyleChambers.com.au platform fortnightly on a Tuesday evening from 7.45pm (AEST). Members tune in to see your brand offerings spotlighted by Louise's style expertise and guidance on how to wear, style, mix and match in a dynamic, relatable and engaging workshop format.

Live Q&A: A place is reserved for your brand representative to be included as moderator, if desired, to answer brand and garment specific questions throughout the Workshop - building member confidence to use their event-specific discount/offer code to purchase.

Promotional Giveaway: At an optimum time in the LIVE Workshop, Louise will solicit for members to enter the STYLEWORD published in their eDM and on socials for the chance to win Brand Partner prize on the spot.

Pre-Promote: Members are notified of the Workshop, via eDM the day prior – this notification includes Brand Partner mentions and logos plus details of prize they can win only by tuning in to the LIVE Workshop.

A 30-60 second teaser of the products will be shared across socials on the day of the LIVE Workshop.

Post Workshop:

- The Workshop is made available for viewing ON DEMAND in the Members' Portal, after the LIVE is complete. The event-specific discount/offer code is valid for seven (7) days from LIVE Workshop so members unable to join live can redeem after watching ON DEMAND.
- An edited version of the Workshop is published on Style Chambers' YouTube channel seven days later for public consumption (no discounts or prize offered in the public domain).
- Snippets of the workshop will be shared across social platforms in the days following the live screening.

Important Information:

- Brand Partners will have access to sharable social media content – no publishing rights apply to the Workshops.
- Style Chambers reserves the right to include 1 x Footwear Partner, 1 x Handbag Partner, 1 x Jewellery Partner and/or 1 x Venue Partner for the Style Workshop. Brand Partners can opt to be the exclusive brand represented in a workshop for an additional fee.
- Full Terms & Conditions available on request.
